

# Commercial Building Solutions

Your staff and customers alike will appreciate the year-round comfort and bright attractive environment inside a Cover-All® building while they shop, work and play.

# Step Inside & Experience Cover-All®

Cover-All® provides natural light, in a controlled indoor environment, to protect your customers, merchandise and event-goers from the unpredictability and inconvenience of the elements.

## Retail and Showroom

- Provide your customers a bright, inviting, pleasant atmosphere inside a Cover-All® building, where they can relax and browse for year-round shopping comfort
- Cover-All® protects valuable merchandise from sun, hail and wind damage keeping your inventory clean and looking new

## Event Facilities

- Avoid event cancellations and protect spectators and performers alike with a safe, natural Cover-All® environment for enjoyable event experiences regardless of the weather
- Enjoy crisp, clear acoustics in a Cover-All® event facility

## Storage Facilities

- Cover-All's clear-span design allows for easier equipment maintenance and maximum storage capacity
- The vast amount of natural light in a Cover-All® illuminates every corner of the building reducing the need for costly artificial lighting during the day

Impress your customers with the quality construction and natural environment inside your Cover-All® facility. Talk to your local Cover-All Dealer today and experience the kind of personalized service you offer your own customers.

*"When organizers step inside this building, they get excited. The translucent fabric has a drive-in theater effect for anyone inside or outside the building. We hosted the Bob Hope Classic Pairings party and had a picture of Bob Hope projected from inside. That drew a lot of attention from spectators outside of the building because when the building is lit up, you can see it from miles around. This facility is performing beyond our expectations."*

Alex Haagen III  
President and CEO, Empire Polo Club and Event Center, Indio, CA

*"The building is a great showroom for our lottery prizes. We've got a motorhome, cars, quads, motorcycles, everything inside. We're totally impressed with the Cover-All. There's a real ambiance inside, and we're open until late at night with no lights needed at all. Even on a gray, rainy day it's surprisingly bright inside. I would definitely recommend a Cover-All to anyone needing a showroom."*

## Built for Strength and Durability

### ViperSteel® Framework

Our framework is constructed with ViperSteel® and clad with triple coated GatorShield® corrosion barrier. Independent salt-spray tests show that GatorShield® provides a service life three times longer than conventional galvanized steel. Welds are sandblasted and finished with a state-of-the-art molten zinc anti-corrosion process.

### DuraWeave® Covers

Cover-All's high performance DuraWeave® covers are virtually maintenance free. The patented double stack weave provides unmatched strength to weight ratios and tremendous rip, tear and puncture resistance. DuraWeave® and DuraWeave® FR covers are backed by 15 and 10 year pro rata limited warranties respectively, and are available in a variety of colors. PVC is available upon request.

Superior Manufacturing Technology

## Why Choose Cover-All®

### Atmosphere

Cover-All® buildings provide natural lighting, exceptional ventilation, and excellent sound dampening properties.

### Quality

Our buildings are designed for high performance and rigorously tested to ensure structural integrity.

### Customization

Cover-All will customize your building to incorporate colors, ventilation, traffic patterns, doors and end walls, and space requirements to provide you the solution to meet your needs.

### Installation

Cover-All® buildings are quick to deliver and install, offer multiple foundation and installation options, and can be relocated.

### Commitment

Be confident, your Cover-All® building is backed by a worldwide team of dedicated professionals, an ISO 9001:2000 certified manufacturing facility, and continual investment in product research and development to ensure we remain the industry leader.

## Committed to Customer Satisfaction

### World-wide Dealer Network

Your local, independently owned, authorized Cover-All Dealer is part of a worldwide product support network that will provide you with service and support for all your building needs - before, during and after your building installation.

### Flex Lease Program

We have partnered with leaders in the industry to offer you more choices in making a Cover-All® building the affordable solution for your business needs. Cover-All® Dealers make it easy to arrange a lease program that meets your business's financial plan.
